The IFC COLOS LLP's (hereinafter - the Company) strategic purpose is the continuous development of the Company through worldwide provision of freight forwarding and logistics services, services of customs clearance and terminal handling of cargoes and driving new international projects to the market.

IFC COLOS LLP carries out its activities in accordance with requirements of the legislation of the Republic of Kazakhstan in the health, safety, security and environment (hereinafter - HSSE), international standards ISO 45001:2018 and ISO 14001:2015, as well as developed and constantly improving internal management system for the HSSE.

The management of HSSE issues is carried out by the Company in accordance with the HSSE nature and extent of risks by:

- setting goals, developing and implementing the HSSE management programs;
- applying effective methods of control and taking high-performance measures and actions to mitigate or eliminate risks and hazards;
- providing priority funding for measures aimed at improving fire and electrical safety and creating healthy and safe working conditions for employees;
- creating working conditions that promote active participation of employees in improving the culture of safety labor, solving of HSSE issues, and ensuring appropriate training, awareness and competence of employees;
- interacting with executive authorities, supervisory and controlling state authorities of the Republic of Kazakhstan, related organizations in the field of improving the state of the HSSE system;
- ensuring control and compliance with the HSSE requirements of the legislation of the Republic of Kazakhstan and requirements of Clients.

The Company's Management undertakes to develop and improve the effectiveness of the HSSE Management System and ensure its continuous upgrading, to prevent injuries and deterioration of the health of employees, as well as prevent environmental pollution.

The main and essential goal of the Company is the performance of work without Incidents and Injuries.

Developed: HSSE Manager Yerkin Tanatarov
